Justin Corcoran		
Liz Channon		Womens 30s. + 16 Boys.

## President's Report AGM 19<sup>th</sup> July 2023

Mudgee touch have again experienced another year with challenges which seen our touch community pull together so we could continue to play the sport we all love.

We kicked our season off in October at Glen Willow, which was short lived due to the rainfall that ended with our fields completely under water, which in turn caused significant damage to our fields. Our committee worked together with Mid-Western Regional Council and relocated our competition to Jubilee and West End until we resumed our competition back at our home ground at Glen Willow in January. I would like to thank our whole touch community for their support and understanding during those months.

Our club had another successful competition consisting of 7 Ladies teams, 18 Men's teams, 39 Mixed teams and 32 junior teams aged 12 and under. We received a large amount of positive feedback in particular with the junior competition this year largely due to the skills and drills sessions and a huge thank you must go to Adam and Roy for their organisation of this competition.

A massive thank you to all our referees who not only refereed on club nights but travelled away with our senior and junior representative teams. Without you all we would not be able to compete at any level, so thank you.

Earlier this year it was announced by NSW Touch Football that Mudgee will host the 2023 Country Championships. This is a very exciting opportunity to be a part of such a large event and we look forward to working with Mid-Western Regional Council and NSW Touch to ensure this event takes place and meets the required standards.

This year we had a very successful representative season. We hosted the annual Don Green Championships and managed to be champions in a number of age groups which resulted in Mudgee winning the overall championship. Mudgee Touch fielded 3 senior representative teams (Women's 30's, Men's 40's and Mixed Open's) which attended hornet's championships, country championships and senior state cup. We fielded 10 junior teams (U10's-U18's) which competed at Don Green, Peter Wilson Memorial and Junior State Cup. We had several of these teams make semi's and finals over the 3 tournaments, but a massive congratulations to Adam, Mark, Alina and the under 12 girls who were crowned U12 northern conference champions at junior state cup winning our first ever junior state cup title. We are so proud of their effort and achievements over the past 12 months and are looking forward to the future of our representative teams.

A massive thank you to our entire committee for the tireless work you all do to ensure the running of our association. Our club is so very lucky to have so many passionate members involved and I can not thank you all enough for the support and work you have done throughout the year.

I wish all committee members that are elected tonight the best moving forward and hope to see our club to continue to build and develop over the next 12 months.
